Dear Mr. Wolfram,

Rabbi S.M.Silver asks that I send you this book.

I regret that the publisher butchered it beginning with eliminating about 3/4 of what I wrote.

But I've not had a peep from Posner

Or a single complaint of any kind about the book.

After sitting on it for a couple of years the same publisher did better with my next book to appear, NEVER AGAIN!

While omitting the subtitle that described it!

Best wishes,

Harold Weisberg
